Coloured T-Shirt Rags

Coloured T-shirt rags are medium-weight, soft textile wipers that are suitable for cleaning, polishing and absorbing liquids. Very popular in the automotive industry where multi-purpose quality rag wipers are required. Ideal for valeting, maintenance, engineering and transport workshops.

Recycled and cut mixed coloured T-shirt rags are processed in our solar powered manufacturing warehouse, boxed, bagged and palletised ready for bulk orders. These sustainable quality cleaning cotton textile rag wipers are the most popular and sought after alternative currently available.

White T-Shirt Rags

These medium-weight white t-shirt rags are suitable for cleaning or polishing tasks and for absorbing spilt or excess liquids. Suitable for automotive valeting, the paint, varnish, and printing industries, the chemical industry, maintenance engineers and transport users.

100% cotton white t-shirt rags, a great multipurpose rag or polishing cloth product.

C-Fold Hand Towels

C-Fold hand towels are very popular and designed for high-use amenities. Absorbent paper tissue for use on hands and face in the washroom. The C-fold stacks each sheet individually so they don't interlock like the Z-fold and V-fold options.

Suitable for all public and industrial washrooms and toiletries.

Available in: Green, Blue & White

Centrefeed Rolls

Centrefeed Rolls are the most popular choice in workshops for wiping down and drying surfaces and small spills

Cost Effective and suitable for use in kitchens, warehouses, tool service stations, engineer workshops, auto repair garages and more

Available in Blue or White and sold in packs of 6

Janitorial Products

Monster Rolls – Blue or White paper wipes

2-ply Monster Rolls (or forecourt rolls) are 1000-sheet large practical paper wipers for use in the workshop or automotive service garage for engineers and mechanics alike

Excellent absorption properties and strong paper make them ideal for industrial applications and garages where frequent wiping of hands, surfaces, components and tools is a necessity

The industrial rolls come in White or Blue and alongside the standard 2ply we offer a 3ply option

Standard 2-Ply Toilet Rolls – 36pk

Standard 2-ply toilet rolls for every commercial toilet and washroom convenience

Sold in packs of 36 rolls for bulk suppliers

Economic 2-ply tissue paper bog rolls for everyday

Suitable for offices, hotels and other washrooms that prefer to use ordinary toilet rolls

Quick and easy to use

Soft Coco Broom

The Faithfull Soft Coco Broom is a by-product of coconut harvesting. Natural coco brushes are softer when compared to other natural brooms, but still provide good sweeping characteristics. This broom should only be used in dry conditions.

Stiff Bassine Broom

The Faithfull natural stiff Bassine broom heads provide an all-round good sweeping performance. They are designed for dry use. These broom heads come complete with a handle and stay.

Sizes Available: 12" / 18" / 24" / 36"

Orange Hand Cleaner

This Swarfega Orange is an advanced formulation, solvent-free, heavy-duty hand cleaner containing natural scrubbers for a deep down cleaning action and moisturiser to help care for skin.

Removes ingrained oil, grease and general grime. The pump provides controlled dosages, and prevents the product from cross-contamination. One push is enough for an effective hand wash.

This Swarfega Orange is an advanced formulation, solvent-free, heavy-duty hand cleaner containing natural scrubbers for a deep down cleaning action and moisturiser to help care for skin.

Removes ingrained oil, grease and general grime. The pump provides controlled dosages, and prevents the product from cross-contamination. One push is enough for an effective hand wash.

Janitorial Products

Cutlass Lemon Disinfectant E026 – Powerful Cleaner

Cutlass Lemon Disinfectant E026 is an effective multi-purpose sanitising disinfectant with a lemon fragrance that is formulated to be safe for hands. Prevents the accumulation of hard water scale and limescale build-up making it an ideal solution to use in washrooms that get heavy use. An excellent cleaning solution for use in schools, colleges, and large hard floor areas, leaving a fresh clean lemon scent on the finish.

Ecoflower Concentrated Washing Up Liquid C190

Eco-label approved product
Super efficient and eco-friendly high concentration washing-up liquid, for cutting through stubborn grime on pots, pans and other kitchen utensils, including glass ware and crockery.

Toilet Cleaner Fluids

Toilet Cleaner fluids for descaling and cleaning toilet bowls, urinals and stainless steel splash pans. Eco friendly and lightly perfumed cleaning fluids leave your toilet fresh and clean.

Proven to kill 99.99% germs and bacteria.

Ocean Breeze and Lime Zest fragrance options

Bleach – Standard Strength

Bleach – Standard strength, fast acting, unscented bleach for everyday use in general cleaning applications.

A powerful bleach that kills germs and most pathogenic organisms on most hard surfaces and eradicates malodours at their source, keeping drains and toilets clean and odour free.

Avoid using on chrome, aluminium and stainless steel surfaces. Avoid mixing with other chemicals.

Janitorial Products

Bathroom Cleaner

Bathroom Cleaner trigger spray is an easy to use foaming bactericidal cleaner for all washroom and bathroom sanitisation. Clings to vertical surfaces for effective cleaning and lightly fragranced for that clean aroma.

Kitchen Cleaner T003

Kitchen Cleaner T003 is a powerful degreasing solution that is suited for kitchens and the catering environment. Effortlessly removes grime without the need for rinsing and is food safe. Non-tainting and proven to kill MRSA and E-coli, this kitchen cleaner passes EN1276 and is odourless.

Spray and Wipe with Bleach

Spray and Wipe with Bleach is an effective sanitiser against bacteria

Formulated to remove stains, soap deposits, grease, oils, heavy liquids off non porous surfaces, as a rapid action cleaning solution for every day use. Lightly fragranced to leave a pleasant aroma after an effective clean. Best suited for cleaning down washrooms.

Glaze Window Glass Cleaner

In general, Glaze window glass cleaner cleaning solution is suitable for all windows, mirrors, windscreens, video display units (screen monitors for TVs and computers), ceramic, chrome and porcelain surfaces, without leaving any residue behind.

The Seldon C049 (5 Litre container) and Seldon T006 (750ml Trigger Spray Bottle) contain an anti-mist additive that prevents condensation from building up on windows and mirrors after use.

Simply spray on and wipe off for a sparkling smear-free finish.

Furniture Polish Spray

Furniture polish spray designed for that high shine to natural wood products. Suitable for all non-porous surfaces. Lightly scented with the smell of lavender.
